

Bilia _suspension

Suspension lamp created by combining the model Baby with mouth-blown borosilicate glass diffusers. The bell-shaped design of the diffuser is inspired by the colored glass tumbler collection of the same name in the Zafferano Tableware catalog. It is available in two sizes (diameter 18 and 27 cm) and in two models: essential, in four colors (transparent, silver, antique gold, bronze); or decorated with spherical elements (two Bilia lamps) in five colors (transparent, silver, antique gold, bronze, sandblasted). The lamp is also designed for modular use. Suitable for indoor use only.
