

Sferis _suspension

Suspension lamp with diffuser in mouth-blown satin-finish opal glass, available in five different sizes. The versions with diameter 25, 30, 40 and 50 cm have been redesigned with an opal polycarbonate cover, which simplifies the line of the diffuser, making it more refined and minimalist, and ensures 360-degree light diffusion. The lamp is also designed for modular use. Suitable for indoor use only.
