

Party

Design Federico de Majo, 2015

Fatto a mano / Handmade

Vetro borosilicato / Borosilicate glass

Pois colorati decorano la superficie del bicchiere, come coriandoli sparsi nelle calli veneziane a Carnevale. Tumbler dallo stile giocoso, disponibili in due dimensioni con decoro in otto vivaci tonalità.

Vetro borosilicato, lavorato a mano. Resistente agli shock termici, lavabile in lavastoviglie a 60° C e adatto all'uso in microonde.

Colorful polka dots decorate the surface of the tumbler, like confetti scattered in the Venetian narrow alleys at Carnival. These playfully styled tumblers, available in two sizes with decor in eight vibrant shades, can further enliven a cheerful table.

Borosilicate glass, handcrafted. Resistant to thermal shock, dishwasher-safe at 60° C and microwave-safe.

Party tumbler, green → PY00113
