

Tubotto _Suspension

Suspension lamp in anodized aluminum (available in two finishes: gold and silver) with a PMMA lens. The LED light source is available in two color temperatures: 2700 or 3000 K. The lamp is also designed for modular use; the end of the lamp features an anti-glare black anodized nut, which can be replaced with borosilicate glass elements, giving rise to the Sfera & Sfer'Otto collection.

Suitable for indoor use only.
