

Poldina x Peanuts _Table

Peanuts, the comic strip created by Charles Schulz in 1950, is one of the best-known strip cartoons in the world. Its endearing and ironic characters are the protagonists of a special edition of the battery-operated, portable and rechargeable lamp Poldina: a lamp to be always carried with you... and especially on dark and stormy nights! The lamps Poldina x Peanuts feature five different subjects: "Aviator", "Heart", "Friends", "Strip" and "Together".
